## EAGLES' NEST LITTLE EAGLE ROSE 2015

	<p>Eagles' Nest, located on the crest of Constantia Nek pass, is nestled at the foot of the awe inspiring Table Mountain. This pristine and boutique family owned vineyard (38 Ha in size) has in recent years gained a striking reputation for both its beauty and award winning wines.</p> <p>Uniquely characteristic of its wines is its signature of finesse, derived from the cooler climate conditions its vines are exposed to as a result of its elevation and close proximity to the oceanic body that is False Bay, thus delivering very distinctive wines not found elsewhere in South Africa.</p> <p>Quality and consistency is paramount at Eagles' Nest. Our unique terroir, combined with meticulous attention to detail in the vineyards and cellar, yields wines that are the epitome of elegance and balance.</p>	INTRODUCTION

	<p>This wine comprises of a component of red Merlot grapes that were harvested specifically for the production of Rose'. Once picked, these grapes were cooled down to 5°C and immediately pressed to extract a pink juice. This juice was then settled, and clear juice was separated and fermented in Stainless steel tanks for 20 days at 15°C. Two other components were produced through the process of extracting a percentage of juice (bleeding) from Shiraz and Merlot grapes, destined to become red wines. The juice was also settled and fermented in the same manner as described above. After fermentation, the wines were tasted and a final blend created. After a light fining and filtration, the wines were bottled and labelled- ready for market.</p>	PRODUCTION
